Ms. Wright,

We are writing because it has been brought to our attention that your PAC has not registered with the Federal Election Commission (FEC). If this conclusion is drawn in error, and Make A Difference PAC is in fact registered with the FEC please forward the PAC's registration number (C- ###) to our offices via our treasurer, Mr. Howard Brown. He can be reached at 215-771-7806.

In the interim we have begun processing a refund for the contribution we have received in the amount of \$5,000 in October of 2010.

Please call our committee to resolve this time sensitive matter.

Thank you for your support.

Best,
